NAFC is deeply grieved by the mass shooting that took place in Las Vegas on October 1st. Our thoughts and prayers are with all the victims, their loved ones, and all touched by this horrific tragedy.

Our hearts are with you, Las Vegas.

We are very grateful for our incredibly dedicated Membership of professionals who attended our Annual Conference in Las Vegas during this time, who immediately came forward to offer their professional services to provide emergency crisis and trauma intervention and counseling to the victims and families torn apart by this tragic event.

NAFC also thanks the Golden Nugget Las Vegas for generously volunteering to provide the transportation of our Members to and from the emergency hubs set up at Mandalay Bay and MGM to provide crisis intervention and trauma counseling, as well as extending their stays at the reduced rate. Our Members expressed their gratitude for your contribution, many stating they would not have been able to provide their services without your transportation.

NAFC Members attending our Conference in Las Vegas expressed their gratitude and eagerness to help, and the professionals in charge of the emergency hubs set up at Mandalay Bay expressed their sincere gratitude for their services, and requested they extend their stay to continue to provide crisis and trauma services. The NAFC believes those who volunteered deserve to be recognized for their great efforts:
